Not one man in a hundred buys a hat and knows its quality. Our warranty for wear costs half what the hat store asks, and stands as high, sometimes higher. We charge \$2 for our Derby hat—the hatter gets \$4 and \$5. No difference in shape, no better made or trimmed. We keep all the best blocks—hatter has but one, his own. A dollar is a low price but the hat is not cheap, as the word goes.
